

Have a seat.  
Take a minute here.  
Look around.

These beautiful faces are of innocent people who were stolen from Israel on October 7th, and still being held hostage in dark underground tunnels in Gaza.

- Say a prayer for them. We have prayers for you to read in either Hebrew or English.
- Write a note to a family member of a hostage letting them know you have not forgotten them.
- Tear a piece of masking tape off the roll and write the number of days since October 7th. Wear that tape on your shirt in solidarity with the hostages.
- Take a package of Shabbat candles to light at home in the merit of a hostage.
- Allow your heart to feel both pain and hope.

Thank you for visiting our hostage tribute. May you have a blessed day and may we hear good news very soon.
