

Take a walk with us, down this hall of beautiful faces.

To your right are faces of those individuals who have miraculously returned home from captivity, either freed, released, or rescued. May their emotional scars and trauma continue to heal.

On the left side are the pictures of those individuals who were brutally murdered by Hamas, may their memories always be a blessing. Hashem Yakom Damam, may G-d avenge their deaths.

Keep walking and turn the corner to your left. There, taped up on the walls are the faces of innocent people who are still being held in captivity in Gaza.

As this is written, there are still 134 hostages that need to come home!

Take a minute.

Take this walk.

Don't allow yourself to become numb.

Look at their faces.

Read their names.

Don't forget them.

Say a prayer for them.

Do a good deed in their merit.

Send them strength and love and light.
