About Momentum Grand

Momentum Grand is an exclusive, transformational, spiritual, and uplifting journey for women looking to invest in themselves and help us continue to build the Momentum movement. It is an opportunity to forge a sisterhood with accomplished, philanthropic women from all over the globe while learning together with dynamic, world-class educators, and experiencing Israel in a whole new way.

Participants will experience intimate meetings with Israel's top leaders, behind-the-scenes tours of Israel's stunning sites, and participate in fascinating classes while enjoying luxury accommodations and the best of Israeli cuisine.

Contact Stephanie Smartschan at StephanieS@MomentumUnlimited.org to learn more about participating in this special trip.
